

COGNITA

Educational Visits Policy

September 2018

1 Introduction

- 1.1 This policy defines the expectations and intentions for educational visits. It applies to situations where the school has responsibility for children and young people who are taking part in learning activities in an environment that is outside of the classroom. It supports the principle of inclusion.
- 1.2 This policy applies to all pupils, including those in the early years.

2 Policy Statement

- 2.1 All schools which are part of Cognita Schools Ltd (Cognita) in Europe are expected to follow this policy and the 'Educational Visits Handbook' document.
- 2.2 This policy and the Educational Visits Handbook formally adopts the website www.oeapng.info as its source of guidance about Educational Visits.
- 2.3 Educational visits are valued as an integral part of learning.
- 2.4 The Headteacher is responsible for the purposeful and safe provision of educational visits and activities. This includes ensuring that all adults accompanying a visit have appropriate background checks.
- 2.5 Delegated duties are given to the Educational Visits Coordinator (EVC) to oversee the school's Educational Visits, as per the Job Description in Appendix 1 of the Educational Visits Handbook document.
- 2.6 Delegated duties are given to Trip Leaders to plan and run specific educational visits, as per the Job Description to be found at www.oeapng.info.

3 Principles

- 3.1 Cognita will supply all Heads and EVCs with relevant EVC training and information necessary for them to carry out their duties safely.
- 3.2 Headteachers will ensure that their staff are trained appropriately to lead and accompany any trips (this could be led by the EVC or a third party provider).
- 3.3 As employer, Cognita will supply employees with the relevant EVC or Trip Leader training and information necessary for them to carry out their duties safely.
- 3.4 Safeguarding is everyone's responsibility. Any member of staff who wishes to report a potential safeguarding matter during or subsequent to a visit should contact the school's DSL (or Headteacher, if the concern is about an adult). In the cases of child protection concerns, this may also involve the member of staff directly contacting the relevant statutory agency, such as the police or social care services, particularly in the case of immediate danger or if a child is at risk of harm, in full accordance with the school's Safeguarding and Child Protection Policy.
- 3.5 Trip Leaders must ensure they uphold the highest safeguarding standards, including Keeping Children Safe in Education Part One, and Annex A, as well as their locality child protection procedures. All staff accompanying children on school visits have a duty to provide a safe environment in which children can learn.
